Long Handicap Race 6 Results - 8th September - Jan MacDonald

There was a good turnout for the last Long Handicap race of 2011.

Tom Stott crossed the line first, well ahead of the field but felt he was unable to accept the monthly trophy as his handicap had not been formally set by a coach.

The trophy instead was awarded to **Jacqui Tigg** who knocked almost 3 minutes off her handicap, well done Jacqui!

Congratulations to all runners who make this race such a success & many thanks to **James Tolson, Bill Kelly and Hamid** for giving their time and support to the handicap races this season.
